This is what I have done to get ready for my rating:

Unmounted: I have attended unmounted study sessions and have read my Pony Club manual and handouts. I also understand that I can contact an Upper Level Member to assist with any questions in preparation of this certification.

Mounted: I have been riding regularly and taking lessons routinely. My instructor has also reviewed the United States Pony Club Standards and feels I am ready for this rating.

These are the things I have been working on in my riding:

Other: These are other things that I have done to help me learn and to prepare for this rating:
